

ABTEKTRON PVT. LTD.

SUITABLE SMART SOLUTION

◀ ABOUT US

ABTEKTRON is a leading name in PCB assembly and automation dedicated to serving the evolving needs of the Electronics and Semiconductor industries. With a rich history of innovation and a commitment to excellence, ABTEKTRON has firmly established itself as a trusted partner for businesses seeking state-of-the-art ABTEKTRON PVT. LTD.

◀ OUR MISSION

At ABTEKTRON, our mission is to empower businesses with the latest advancements in ABTEKTRON. We understand that in today's competitive landscape, precision, efficiency, and reliability are paramount. Our goal is to provide our clients with the tools and expertise experience which they need to stay ahead in their respective industries.

◀ SERVICES AND COMMITMENTS

our company is dedicated to delivering a comprehensive and customer-centric experience. From the initial analysis of requirements to transparent communication during the purchase phase and ongoing support through our warranty and maintenance services, our goal is to establish enduring relationships with our customers built on trust, quality, and unwavering commitment to their success.

"We offer a range of equipment, assembly services, and process solutions for electronics manufacturing. Our offerings include SMT and PTH assembly, inspection services, test systems, and software solutions. These provide the agility, responsiveness, and value essential in today's demanding manufacturing environment."
